Coming Soon!

The Department of Medicaid Services, Division of Program Integrity is pleased to announce the Kentucky Medicaid Partner Portal Application is coming in 2018.

We are excited to offer the ability to submit Medicaid ID enrollment applications, maintenance items, revalidations, and more, all online. We believe Providers and Applicants will find the automated process user-friendly, efficient, and secure, along with many other additional benefits.

We look forward to introducing you to the Kentucky Medicaid Partner Portal Application. Additional communications about the Application, along with complete instructions on onboarding, will be posted as information becomes available.
